

Education

B.E Computer Science and Engineering
St. Xavier's Catholic College of Engineering
Affiliated to Anna University
Expected Graduation: 2027
GPA: 8.3/10

Technical Skills

- **Programming Languages:** Python, Java, C
- **Databases:** MySQL, OracleDB
- **Tools & Technologies:** JavaFX

Certifications & Achievements

- **NPTEL Certificate – Elite+Silver** (Recognized for performance in technical coursework)
- **Project Exhibition Certificate** for "Gesture-Based Calculator"

Soft Skills

- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

Career Objective

Motivated and enthusiastic second-year Computer Science Engineering student at St. Xavier's Catholic College of Engineering, aiming to enhance technical and problem-solving skills through academic and personal projects. Passionate about software development and eager to grow in a collaborative and learning-focused environment.

Projects

1. Railway Reservation System

- user experience and functional accuracy
Developed a GUI-based railway reservation system using JavaFX.
- Enabled users to book, modify, and cancel tickets with real-time data handling.
- Focused on.

2. Gesture-Based Calculator (*Exhibited at College Tech Exhibition*)

- Built a calculator that responds to hand gestures using computer vision techniques.
- Demonstrated at a college-level exhibition and awarded certification for innovation.
